

# Attracting, Understanding and Retaining Top Performers

## About Peoplogica

Peoplogica is a leading specialist consultant in attracting, understanding and retaining top performers. Peoplogica provides people capital solutions and services through its partner network of recruiters, trainers, coaches and consultants. It delivers a range of customised solutions to organisations of all sizes, from all sectors.

Peoplogica searches the world for the best solutions and possesses the international and regional licensee rights for a range of selection, performance management, coaching and leadership development tools including:

**Profiles International JobFit Assessments**

Profiles International is the global leader in the development of JobFit assessments with more than 50,000 clients in 122 countries having used in excess of 50 million assessments.

**Employee First - Workplace Stress Prevention Program**

Assists employers to increase employee engagement and performance by helping their employees take back control of their mental, emotional and physical well being.

**OurPeople Multi-Rater Surveys**

A fully customisable self improvement 360° survey which provides key employees with feedback from a full circle of clients, prospects and colleagues with whom they interact.

**Fully Customisable Skills Testing**

Skills Testing with more than 100 subjects and 1,500 selectable sub-topics that can be customised and combined to deliver any organisation's particular requirements.

**Australian Innovation & Creativity Survey**

Australia's first true measure of the perceptions of Australian employees, middle management and senior management on Innovation & Creativity.

**Fully Customisable Employee & Customer Surveys**

Customised surveys that are developed with the sole aim of achieving the client's objectives and identifying the critical initiatives to increase productivity and performance.
